

Camp Kinderland

Summer camp with a conscience since 1923

New Camper Family Day

Saturday, June 10 2017

in Tolland, Massachusetts

Camp Kinderland is an oasis for children; a place where they can be themselves, and work and play in an atmosphere of cooperation and trust. At Kinderland, your kids will play **sports, swim and hike**, gain new experiences in **arts, drama, music, dance, nature and camping**. They will also encounter ideals of **social justice and peace** by singing labor songs or writing skits about putting an end to war. Our campers know it is okay to **think**, to **care**, to **question** and to **act**. The values of community and culture, of justice and activism, are inextricably integrated with the friendship, joy, beauty, and sheer fun and adventure of life at sleepaway camp.

During New Camper Family Day, experience Camp Kinderland with your children to get a taste of this unique sleepaway camp. This day is full of activities for adults and children to enjoy together.
