The Kinderland Arts & Activism Festival Program Booklet will be an essential part of the three-day family-friendly festival for peace taking place in the Berkshires of Western Massachusetts over Labor Day weekend. The booklet will feature the festival map, a schedule of events for the weekend, bios and descriptions of participating artists and their work, important information about emergency health and safety procedures, and much more. We invite you to place an ad in the festival program booklet for your business so that locals and out-of-towners alike can find you and support you during and after the festival, and so that you can be identified as a business that supports local artists and family values.
